Pool Policies and Procedures

SUN RIDGE, COMMONS, NORTH HAVEN & THE POINT

We hope everyone has a wonderful experience at our pool locations all season long and for everyone's fun and safety we ask that you follow all the rules and policies in place. First and foremost, our contracted lifeguard staff are to be respected and their instructions obeyed by all our members and guests. Please always remember they are here for your safety and the safety of all our pool attendees. Several policies rules and regulations are listed below but this certainly does not encompass all that we request you abide by this season.

- We will be signaling swimmers at 6:50 pm each day to exit the water allowing 10 minutes to collect your things and exit the pool decks by 7pm
- Adult swim will begin Memorial weekend May 25th at Sun Ridge on the hour, each hour from 12 noon through 5pm daily. One pool will be closed for 15 minutes for cleaning and the other open for adults to swim.
- No drinks are to be in the pool itself even with a lid. Any beverage must remain on the side of the pool and remain there during your time in the water.
- No food or chairs within 4 feet of the pools edge. Parents no roughhousing with children this includes lifting and throwing them while in the pool.
- Children and adults will not be permitted to hit others with pool noodles. No running on any of the pool decks
- The Lifeguards oversee our pool safety and will if the situation calls for it, discipline children whose parents/grandparents/guardians are not intervening to be sure the children are listening and obeying guard requests.
- No children and young adults under 16 years of age are permitted in the hot tubs at any location in Bayside.
- Seat saving has become more and more widespread over the past few seasons. We ask that you refrain from this practice out of courtesy and respect for your fellow members and guests.

This is just a highlighted portion of the pool policies and procedures for Bayside. Please be courteous and kind to staff in all departments throughout the community as they are working hard to help you enjoy your time with us. Please contact Steve Telscher, Director of Recreation, at stelscher@troon.com anytime with questions, concerns or comments. We greatly appreciate the feedback.
